## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William Androlia, **Reg.No. 27,177** on 08/29/2005.

In claim 1, line 2 delete "an LED" and insert -a LED-.

### ***Allowable Subject Matter***

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance:

the allowability resides in the overall structure of the device as claimed at least in independent claim 1, and at least in part, because of the following:

**US 6,511,215 to Hashigaya** discloses a vehicle headlamp including a housing [14], a light source [22] and a reflector [24], but does not disclose LED provided in the area behind the reflector and a light guide having an umbrella portion and provided at a front of the LED, as claimed in the instant application.

Art Unit: 2875

**US 6,356,394 to Glienicke** discloses a mushroom-shaped light guide having a bar-shaped base portion [5] provided in a front of the LED [6] and an umbrella portion [1] formed in front of the base portion [5], but does not disclose a first light emitting surface for emitting a part of guided light within the bar-shaped base portion in a forward direction of the lamp, an internal reflection surface for internally reflecting a part of guided light outward in a radial direction of the umbrella portion, and a second light emitting surface for emitting the internally reflected light toward the reflector, as claimed in the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
